
Would you buy any of these courses?

1 message

Derek Johanson <derek@copyhour.com>

Would you buy any of these copywriting courses? I just need a simple "yes" or "no" response if you have a moment.

Take the 1 minute "Would you buy this" survey?

These aren't final product names but will more give you an idea of the main concepts being taught.

I'll be sharing the results in the [CopyHour Facebook group](#) if you're curious to see what wins.

Cheers!
